We always felt that you were available for anything and everything possible. It was truly a perfect day and we couldn't have done it without you. "

"Earnie and I would like to say thank you for the wonderful job you and your staff did to make Katie and Aaron's wedding on September 26, 2009 so perfect. I was so impressed with the house and I have been telling everyone about it and mostly how hard you work to make sure the event is perfect for all your couples. We would also like to tell you that the catering staff was awesome as well."
